

Pred Impact

Product Description

- Maximum Cut F Nylon, Spandex, HPPE and TekArmor™ Liner with Sandy Nitrile palm coating
- Back of Hand TPR Protection with Reflective Surround
- Padded Palm and Additional Thumb Crutch Protection
- Highly Dexterous (18 gauge)
- 360° Comprehensive Breathability
- Great grip in light Oily applications
- Whole palm area compatible with Touchscreens
- Sandy Nitrile offers great wet or dry grip
- Suitable for use in Food Industries
- Incredibly hard-wearing, high performance abrasion resistance
- Extremely lightweight and comfortable

Specifications

Code: TS5	Size Range: 8 to 11
Liner: TekArmor™, HPPE Nylon, Spandex	Pack Size: 10 pairs Case Size: 120 pairs
Gauge: 18	EN388: 4X42FP
Coating: PolyMax™	EN407: X2XXXX

Suggested Applications

- Construction
- Automotive
- Extrication
- Glass/Glazing
- Food Industry
- Fabrication
- Touchscreens
- High Pressure Cut Applications

Certification and Marking

Limitations of Use

Maintenance	Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.
Storage	Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.
Disposal	Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.
Cleaning	Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.
Durability	The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.
Note	Due to the nature of this product the user is advised to carry out their own risk assesment before use, depending on application.
